Live in: Lancashire, Yorkshire, Cheshire, North-West.

Years of experience: 9

Daily/Live in: Either

Full time/Part time: Nanny or Nanny-Housekeeper - 37 hours plus or Maternity nurse posts

Driver: Yes

Profile:
Danielle is a very pleasant, well presented and polite young lady with an open, honest and quietly confident personality. Since gaining her Level 3 qualification in 2010 Danielle has undertaken both nursery nurse and nanny posts caring for babies from four months to children aged fifteen years old. Whilst Danielle thoroughly enjoyed the differing challenges from working within the nursery environment she does prefer working within the family home where she is able to offer one to one care and attention. Adding another dimension to her experience Danielle has recently completed a Level 4 qualification in maternity nursing which she enjoyed immensely. Her ideal long term goal would be to gain more experience within this field by either undertaking maternity nurse posts and/or working as a nanny or night nanny for families with young children. However she is also very happy to consider nanny posts with older children. We feel that Danielle's calm, organised and cheerful disposition is well suited to this field and her relaxed, easy going demeanour will enable her to quickly adjust to any situation and family that she works for.
